

ALL OF YOUR RESEARCH
DATA STORED SAFELY IN
THE NETHERLANDS

SURFdrive is a joint initiative by SURF and all Dutch universities.

SURFdrive is the safe, personal cloud storage service for employees of educational and research institutions in the Netherlands. Your files are stored safely in the Netherlands, and are never made available to third parties. Log into **SURFdrive.nl** and receive 100 GB straight away.

STORE YOUR WORK SAFELY ON **SURF DRIVE**
