

Creating a badge class

Never stop learning

Edubadges are digital certificates which show that the owner has acquired certain skills or knowledge. Edubadges can be issued for both accredited education and extracurricular activities.

What would you like to do?

By invite only

Award

Award your students with edubadges, the microcredentials of the future.

Open the issuer portal

The issuer portal is by invite only. If you want to enter, but don't have access, please contact your institution admin.

40 Badge Classes

Browse

At this moment 61 edubadges have been awarded by the institutions.

Open the catalog

The catalog shows all the badge classes of all institutions using edubadges.

Collect

A backpack is the place to receive and collect edubadges.

Open your backpack

An eduID is needed to create and use your backpack. Creating an eduID takes less than 30 seconds

Biomedical Sciences

Biomedical sciences are a set of sciences applying portions of natural science or formal science, or both, to develop knowledge, interventions, or technology that are of use in healthcare or public health. Such disciplines as medical microbiology, clinical virology, clinical epidemiology, genetic epidemiology, and biomedical engineering are medical sciences. In explaining physiological mechanisms operating in pathological processes, however, pathophysiology can be regarded as basic science. Biomedical Sciences, as defined by the UK Quality Assurance Agency for Higher Education Benchmark Statement in 2015, includes those science disciplines whose primary focus is the biology of human health and disease and ranges from the generic study of biomedical sciences and human biology to more specialised subject areas such as pharmacology, human physiology and human nutrition. It is underpinned by relevant basic sciences including anatomy and physiology, cell biology, biochemistry, microbiology, genetics and molecular biology, immunology, mathematics and statistics, and bioinformatics. As such the biomedical sciences have a much wider range of academic and research activities and economic significance than that defined by hospital laboratory sciences. Biomedical Sciences are the major focus of bioscience research and funding in the 21st century.

Click on 'Add new badge class'.

Part 1: Basic information.

All fields are required except for the 'Learning outcome'.

The screenshot shows the 'Add new badge class' form in the edubadges system. The breadcrumb trail is 'university-example.org (EN) > Medicine > Biomedical Sciences > Add new badge class'. The form is titled 'Add new badge class' and is divided into several sections:

- Basic information:**
 - Edubadge image:** A box with 'No file selected' and an 'Upload image' button. Below it, a note states: 'Image must be in .png format, contain at least 90x90 pixel and have a maximum size of 256 KB.'
 - Name:** A text input field with a help icon and the text '(Required field) e.g. Renaissance'.
 - Description:** A rich text editor with a toolbar containing icons for bold, italic, quote, link, unlink, list, and table.
 - Issuer:** A text input field containing 'Biomedical Sciences'.
- Default expiration settings:** Radio buttons for 'Never' (selected) and 'After'.
- Language of instruction:** A text input field containing 'Dutch'.
- Learning outcome:** A rich text editor with a toolbar containing icons for bold, italic, and quote.
- Extra options:** Checkboxes for 'Private badge class' and 'Evidence required', both with help icons.

Make sure a third party understands what the edubadge contains and what the received party is able to do. Examples can be found at <https://www.edubadges.nl/catalog>.

Description: General information about the edubadge. E.g. The Accounting badge is based on the course Accounting in the bachelor program at example university, including the extra-curricular Accountancy Event.

Learning outcome: Describe what an edubadge holder knows/can do after receiving this edubadges. E.g. After completion of the course, the student should be able to:

- Use a critical attitude to structure business challenges, by employing accounting tools and techniques

Criteria for this edubadge

What are the requirements to qualify for this edubadge?

H B I “ 🔗 </> {} ☰ ☷ ⚙️ ✉️ 📄

Or provide a persistent link to a webpage with the criteria or more information

e.g. <https://www.universityofharderwijk.nl/renaissance/criteria>

Part 2 : Criteria

What does the edubadge holder need to do to receive this edubadge.

E.g. To be eligible for the badge students should:

- Score an average grade of 6 or higher for the examination of the course (two written tests).

Allowed institutions

Award allowed institutions ?

Select one or more institutions... ▼

When a badge can be claimed by students from other institutions, the option 'allowed institutions' appears and one or more institution(s) can be chosen whose students can claim the edubadge.

*This option is only visible when your institution admin has set it up accordingly and when the badge you are trying to award is **not** accredited with study load.*

Study load

Added study load is default. If you don't wish to include studyload, click the bin.

Credit points (according to ECTS)

Whole and half points only.

A minimum of 0.5 points is required.

Educational identifiers

Programme Identifier

Consult the [DUO CROHO register](#) or the [SBB CREBO lists](#) if you don't know the code.

Indicative EQF level

Check https://www.nlqf.nl/images/English2015/NLQF_levels_English_description_2020.pdf for help

Save

Part 3: Educational information

Consists of 3 sections that shall be discussed seperately on the following slides.

1. Study Load and Educational Identifiers

- Study load is an optional field. If your institution has not chosen to use this option, the field will not be displayed.
- When you add study load to an edubadge, educational identifiers are mandatory. When you remove study load, these fields become optional.

Time investment 

Hours 

e.g. 260

2. Time investment

When an edubadge is not accredited with ECTS (HBO/WO) or SBU(MBO), the time investment necessary to achieve the badge can be expressed in hours.

Related educational framework

Framework

ESCO

URL

<http://data.europa.eu/esco/skill/9ec4252d-cbe8-4134-88fa-549dee1883f3>

The dynamic relationship of human structure and function and the muscoskeletal, cardiovascular, respiratory, digestive, endocrine, urinary, reproductive, integumentary and nervous systems; normal and altered anatomy and physiology throughout the human lifespan.

[Show less...](#)

None of these options are required.

Extra options

Private badge class 

Makes a badge private so it will not appear in the catalogue and cannot be awarded yet.

Evidence required 

Requires a student to show proof before being awarded the edubadge (e.g. a thesis). The awarder is obligated to fill out the evidence fields before being able to award the edubadge. After the badge has been awarded and the student has decided to make it public, it is optional for the evidence to be made public too.

Narrative required 

Requires the awarder to add a personal note before awarding the edubadge. After the badge has been awarded and the student has decided to make it public, it is optional for the personal note to be made public too.

Motivation required for enrollment 

Requires a motivation from student before enrollment, which can be added by URL or text.

Extra options

Evidence URL required for enrollment 

Requires an URL with evidence (e.g. a thesis) from the student before enrollment.

Award to non-validated account allowed 

Only when a badge is **not** accredited with ECTS/SBU can this option be checked. It allows the badge to be awarded to accounts that have not been verified by an institution.

Badge class related to Microcredentials pilot 

Check this box only when badge class belongs to microcredentials pilot.

Direct-Award disabled 

When this box is checked, direct awarding the edubadge is not possible.

Self-enrollment disabled 

When this box is checked, self-enrollment by the student is not possible. Only use this option if you use direct award to award edubadges.
