

This login method is no longer available

Klik hier voor de Nederlandse versie van deze pagina.

You have reached this page because you have tried to login to a outdated service through SURFconext. Follow one of the two steps below to solve this.

Did you use a mobile app?

If you are using a mobile app, this error can be caused by an outdated app. Update the app in your app store and try again! If this did not work, contact the support desk of your application.

Did you use a browser?

If you are trying to log in to a web application in your browser you need to contact the support desk of your application. They will help you get going.

For Service Providers

If you are a service provider and you haven't migrated yet, [click here for information how to migrate your instance in SURFconext.](#)
