

# SURFconext WAYF

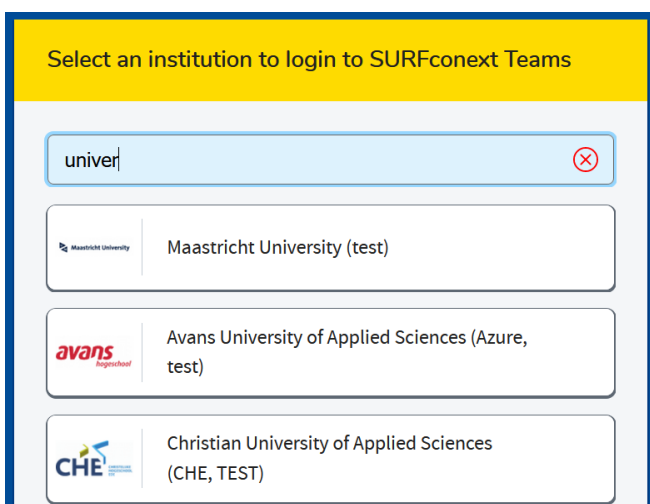

The WAYF (Were Are You From) selection page shows all Identity Providers that are allowed to access your service. If a handful of IdP's is connected to your service, only those will be shown. If one IdP is connected to a service, the WAYF is skipped altogether since there is nothing to choose from. To make life easier, the previously chosen IdP is displayed on top of the list. The SURFconext WAYF page is automatically used when you connect to SURFconext using the basic Identity Provider metadata. This way, you configure SURFconext to be your service's only Identity Provider. The screenshots below show what the user will see when logging on to a service.

## Desktop browser

The screenshot shows a desktop browser window with a blue header bar containing the text "Login via SURFconext TEST". Below the header is a yellow banner with the text "Select an institution to login to SURFconext Teams". Underneath the banner is a search bar with the placeholder text "Search..." and a magnifying glass icon. Below the search bar is a light blue information box with an 'i' icon and the text: "If your institution is not listed, [eduID \(NL\) test enviroment is available as an alternative.](#)". Below the information box are three institution selection cards. Each card contains a logo on the left and the institution name on the right. The first card shows the "amc" logo and "Academisch Medisch Centrum (Acc - New)". The second card shows the "azM" logo and "Academisch Ziekenhuis Maastricht (new test)". The third card shows the "azM" logo and "Academisch Ziekenhuis Maastricht (test)".

## Mobile browser

The screenshot shows a mobile browser window with a yellow banner at the top containing the text "Select an institution to login to SURFconext Teams". Below the banner is a search bar with the text "univer" and a red 'X' icon. Below the search bar are three institution selection cards. Each card contains a logo on the left and the institution name on the right. The first card shows the "Maastricht University" logo and "Maastricht University (test)". The second card shows the "avans hogeschool" logo and "Avans University of Applied Sciences (Azure, test)". The third card shows the "CHE" logo and "Christian University of Applied Sciences (CHE, TEST)".

To see a live example, go to [SURFconext Teams](#) and click [Log in].
