

# Connections between SURFconext and other federations

There are many other federations in the world. By connecting SURFconext and other federations, more services and institutions can work together while minimising the work for individual institutions. In the following pages we describe connections between SURFconext and other federations.

- [CLARIAH - CLARIN](#)
- [Relatie SURF \(SURFconext\) en Kennisnet \(Entree\)](#)
