- Paolo Manghi (CNR, IT)
- Bill Hubbard (University of Nottingham, UK)

Acknowledgements & Contributors (version 2.0)

The creation of the DRIVER Guidelines 2.0 relies on the expertise of many people. All these people are experts and repository managers. This group has worked together to achieve interoperability in an way that can be implemented practically. The people below therefore endorse and support the DRIVER Guidelines 2.0.

Editors

- Maurice Vanderfeesten , (SURFfoundation, the Netherlands)
